Mr Jasmin BELLANCE

jasminbellance.fr

Senior Drupal developer & technical SEO consultant · Drupal 8 to 11 · PHP 8 / Symfony · 12 years of experience

Based in Île-de-France
jasmin.bellance@gmail.com · +33 6 99 28 38 76 · LinkedIn: Jasmin Bellance

PROFILE

Drupal and Symfony developer for 12 years and technical SEO consultant. I build, migrate and maintain Drupal platforms: custom modules, custom entities and fields, Twig themes, version upgrades, Jenkins CI/CD, always with SEO performance in mind. Experience in IT services (CGI, lead on the Drupal 9 → 10 upgrade), in an agency (ALL4WEB, 4 years) and at a major media group (Prisma Media). AI-assisted development every day (Claude, Codex).

KEY SKILLS

Symfony	Doctrine, Symfony 3, Symfony 5, Symfony 6.4, Symfony 7, Twig
Languages	French (native), professional English (documentation, technical meetings)

EXPERIENCE

PHP Symfony Developer

Aug 2017 – Dec 2018

Prisma Media, Paris · media

- Symfony microservices delivering millions of BI data points (BigQuery, Oracle) to 800 magazine distributors
- BigQuery microservice feeding an application hosted in a DMZ, emailing tool, API-driven dashboard
- Prototyping (POCs) and training for production teams

Stack: Symfony 5, PHP, BigQuery, Oracle, MySQL

PHP Symfony Developer (contractor)

Jan 2016 – Aug 2017

Genwaves, Île-de-France / Marseille · telecoms

- Ongoing development and maintenance of an internal Symfony 3 tool
- Built the web interface for internet boxes, working closely with telecom engineers

Stack: PHP, Symfony 3

EDUCATION

- **Information systems engineer**, EPSI Montpellier (2013-2015)
- Bachelor's degree in computer systems and software, Université des Antilles et de la Guyane (2012)
- BTS (two-year degree) in business computing (2011)
